CALL TO ORDER:

The Anesthesia and Sedation Committee Meeting was held at the Synergy Office Park, Kingtree Building, 110 Centerview Drive, Room 107, in Columbia, South Carolina. Whereas, proper notice of date, time, place and agenda information having been properly provided to THE STATE NEWSPAPER AND ASSOCIATED PRESS and proper notice also having been posted at the LLR Office Building 24 hours prior to the time scheduled for the meeting and a quorum having been noted as present, Dr. Wade, Chairman, called the meeting to order at 9:10 a.m. Excused absences were noted.

APPROVAL OF THE AGENDA:

Dr. Wade reviewed the meeting Agenda. Committee approved it.

Anesthesia and Sedation Committee Report:

Dr. Wade reported on the Committee's initial findings and draft report was reviewed in full.

Committee discussion followed on many points to include what support personnel are needed for moderate and deep sedation; who would be on audit teams and what would their training be; how often would audits be done; what happens if dentist is found to be non compliant with regulations and standards; and what is the promulgation of regulation process and timeframes. Legal Advice Counsels and the Administrator had comments for the Committee in discussions. It was noted that the regulation process does have a timeframe and regulations need to pass in the State Legislature or time out for passage.

Dr. Wade stated he would draft the documents for review again with appropriate changes and additions.

The Committee asked that sedation practice questions be included on the renewal form as usual. It was noted that renewal notifications will be going out in mid October to all dentists for the 2013 and sedation questions are there.

Committee discussed reporting the status of progress of the Committee to be done for the next Board meeting on October 12, 2012 under Unfinished Business.
