The Honorable Nikki R. Haley
Office of the Governor
1205 Pendleton Street
Columbia, South Carolina 29201

Dear Governor Haley:

As President of the South Carolina Board of Nursing, I am proud to support your task force on domestic violence and the Board appreciates the attention that you have brought to this important issue. Our Board has received information from task force member Sam McNutt at our meetings throughout 2015, discussing the domestic violence education available to our licensees. The Board enthusiastically supports and encourages our licensees to get more educated on the issues inherent to domestic violence. At the Board of Nursing, we are aware of the positive role our licensees can play, both professionally and in the community, in addressing this serious public health issue. We strongly encourage our licensees to take part in continuing education that focuses on domestic violence.

In 2016, we will be proposing all licensees receive a listing of available continuing education, as well as resources available to our patients, so that our licensees may refer their patients for the appropriate services.

On behalf of the South Carolina Board of Nursing, we look forward to furthering the goal of reducing domestic violence in South Carolina.

With kind regards,

Carol A. Moody, MS, RN, NEA-BC
President, South Carolina Board of Nursing
