Motion: To approve the ODC report as presented
Marler/Brown/approved

Dr. Stewart called for a motion to return to open session

Motion: To return to open session
McDonald/Marler/approved

- d. Administrator Report – Amy Holleman
Ms. Holleman, in December 2022, attended the South Carolina Dental Hygienist Association's annual symposium in Myrtle Beach, South Carolina. Also in attendance was CE Broker's representative, Deb Carter.

Ms. Holleman stated that most inquiries were regarding the renewal's liability insurance question. She stated that the Board's advice attorney and staff will be revisiting the verbiage for the liability insurance question for renewals.

Ms. Holleman informed the Board the current renewal period will end March 1, 2023. Licenses who failed to renew by December 31, 2022 are currently in an additional fee cycle which is doubled the renewal fee beginning January 1, 2023 through January 31, 2023. The fee will be five dollars (\$5.00) per day, with a cap of one-hundred and forty dollars (\$140.00), beginning February 1, 2023 through March 1, 2023. The licenses will expire March 1, 2023, and those who have not renewed at that time would be required to apply for reinstatement of their license. The Board's statute requires that the Board notifies by certified letter/notice all licensees who failed to renew by January 31.

Ms. Holleman reported there are currently 1,031 licensees in renewal which includes 416 General Dentists out them 100 are Dental Specialists; 285 Dental Hygienists 166 Dental Hygienist with Infiltration Anesthesia; Seven (7) Dental Instructors; Two (2) Dental Instructor Specialist; Two (2) Orthodontic Technicians; 41 Dental Technicians; 10 Dental Volunteers; One (1) Volunteer Hygienist; and one Volunteer Specialist.

14,188 licensees that have renewed, which includes, 3, 454 General Dentist; 688 Dental Specialist; 1,850 Dental Hygienist; 2,276 Dental Hygienist with Infiltration Anesthesia; 23 Dental Instructors; Six (6) Dental Specialist Instructors; 10 Mobile Dental facilities; Six (6) Orthodontic Technicians; 26 Portable Dental Operations; 140 Dental Technicians; 13 Dental Volunteers; One (1) Volunteer Specialist; and 332 Sedation Permits.

The Board confirmed past discussion and research regarding the licensee's confirmed with permission text number be used an avenue to communicate renewal information to the licensees. However, the Board asked that the Administrator revisit the possibility of the usage of the license's text (phone) number as a means of communicating renewal matter and review the historically perspective regarding the usage of text messages to licensees for renewal purposes.

All licenses printed during this renewal cycle with the next renewal date of December 31, 2024 will be reprinted with the corrected expiration date of March 1, 2025. The website currently reflects, March 1, 2023 as the expiration date for the current renewal.

Motion: The Board recognizes that licensees' license expires as of March 1 of every renewal period.
Marler/Bumgardner/approved

The Board discussed the process of a provider, such as the Academy of General Dentistry, automatically uploading completed continuing education courses by the provider for licensees. Due to the logistics involving a vendor becoming a continuing education provider under a CE Broker account it was determined that The Academy of General Dentistry must contact CE Broker to determine the process.

The Board's fees were discussed, and the Board asked that someone in Finance or the Agency Director attend the April 2023 meeting to discuss fees and the possibility of a fee reduction.

The Board's cash balance as of November 30, 2022 was \$3,761,911.11.

APPLICATION HEARINGS

These proceedings were recorded by a certified court reporter in order to produce a verbatim transcript should one be necessary.

- a. Mohmed Meghil, DMD
