AGREEMENT

WHEREAS, Licensee is retired from the active practice of dentistry in this State and has applied for waiver of continuing education and CPR requirements in accordance with Regulation 39-5. Licensee advises of a willingness to refrain from the active practice of dentistry until such time, if ever, as Licensee may be authorized by the Board to resume active practice; and

WHEREAS, the Board believes that it is in the public interest to grant Licensee's application for waiver upon certain terms and conditions provided below.

THEREFORE, IT IS UNDERSTOOD AND AGREED THAT:

1. Licensee's application for waiver of continuing education and/or CPR requirements is hereby granted, provided that Licensee faithfully complies with all other requirements for active licensure and with the following terms and conditions:
 - (a) Licensee shall not engage in the active practice of dentistry, dental hygiene, or the performance of dental technology, as applicable, under any circumstances. Failure to comply with this provision will be deemed a violation of this Agreement and shall result in the automatic temporary suspension of Licensee's license to practice dentistry, which shall continue in effect until further order of the Board.
 - (b) At such time, if ever, as Licensee may wish to resume the active practice of dentistry, dental hygiene, or the performance of dental technology, Licensee shall request authorization from the Board and provide documentation satisfactory to the Board of compliance with all continuing education and other requirements owed during retirement since the date of this Agreement.
 - (c) Applicant shall appear and report to the Board as requested by the Board.
2. It is understood and agreed that by executing this Agreement, Licensee specifically consents to execute and to deliver to the Board, within ten (10) days of request, an authorization for the release to the Board of any and all records, reports, or other information concerning Licensee by any and all persons or entities involved, notwithstanding any privilege provided by federal or state law. Failure to comply with this requirement within the prescribed time shall automatically result in the immediate temporary suspension of Licensee's license to practice until such time as Licensee has made full compliance.
3. It is further understood and agreed that if Licensee fails to abide by any of the aforementioned terms and conditions, or if it should be indicated from reliable reports submitted to the Board that Licensee is otherwise unable to practice with reasonable skill and safety to patients, then Licensee's license may be immediately temporarily suspended until further Order of the Board following hearing into the matter. It is understood and agreed that by executing this Agreement, Licensee specifically consents to waive the procedural requirements of Sections 40-15-180 and 40-15-200 of the 1976 Code of Laws of South Carolina, as amended. It is understood and agreed that by executing this Agreement, Licensee specifically consents to consideration by the Board of any appropriate sanction under Sections 40-15-180 and 40-15-200 after the hearing required by this paragraph.
4. It is further understood and agreed that, pursuant to the South Carolina Freedom of Information Act, this Agreement is a public document.
5. It is further understood and agreed that this Agreement does not satisfy, prejudice, or stay any disciplinary action currently pending before the Board or which may be filed in the future.
6. It is further understood and agreed that each provision of this Agreement shall be subject to review by the Board. Licensee shall cooperate with the Board, its attorneys, investigators, and other representatives in the investigation of Licensee's practice and compliance with the provisions of this Agreement. Licensee may be required to furnish the Board with additional information as may be deemed necessary by the Board or its representatives. In addition to such requests, the Board in its discretion may require Licensee to submit further documentation regarding Licensee's practice, and it is Licensee's responsibility to fully comply with all such requests in a timely fashion. Failure to satisfactorily comply with such requests will be deemed a violation of this Agreement.

AND IT IS SO AGREED.
