**Board of Dentistry: Clinical Examinations**

**Manikin-based Clinical Examination**

At the South Carolina Board of Dentistry meeting on July 9, 2021, the Board voted to extend the amended clinical examination requirement to include the dental and dental hygiene manikin-based clinical exam, administered by Board-approved examination agencies, through December 31, 2022. Applicants for licensure by examination may submit clinical examination scores for live-patient or manikin-based ADEX, CRDTS or SRTA examinations.

Previously the Board approved the acceptance of the manikin based examination through December 31, 2021 for the dental clinical and the dental hygiene clinical.
