

APPLICATION PROCEDURE FOR EXAMINATION BY SCORE TRANSFER REQUIREMENTS AND INSTRUCTIONS

To become licensed as a pharmacist in South Carolina by score transfer, an applicant shall comply with requirements as outlined in S.C. Code §40-43-80 and S.C. Code §40-43-84. Each applicant shall have:

1. Received a Bachelor of Science in Pharmacy or a Doctor of Pharmacy degree from an accredited school, college or department of pharmacy as determined by the Board;
2. Completed at least 1,500 hours of practical experience in the practice of pharmacy;
3. Passed the North American Pharmacist Licensure Examination (NAPLEX) and the Multistate Pharmacy Jurisprudence Examination (MPJE); and
4. Paid all required fees.

PRACTICAL EXPERIENCE REQUIREMENTS

The required practical pharmacy experience must have been gained in accordance with South Carolina internship requirements as outlined in S.C. Code §40-43-84 and S.C. Code §40-43-85. At least 500 (five hundred) hours of practical experience must be obtained through an approved internship, under the supervision of a licensed pharmacist. Up to 1000 (one thousand) hours for practice or clinical experience completed during school may be credited towards the total requirements; these hours may be certified by the college or school of pharmacy upon completion of the program by submitting the [Certification of Clinical Experience form](#). Completion of the total hours of practical experience is not required to take the licensure exam, but all required practical experience hours must be completed prior to licensure.

SOUTH CAROLINA INTERN HOURS

Practical experience worked in South Carolina will not be credited unless an internship certificate was issued prior to the experience. A notification of employment must be on file with the Board for each employment and calendar year of employment for South Carolina interns. Hours for practical experience that were obtained within South Carolina must be submitted on the [Affidavit of Practical Experience form](#). You will not receive credit for hours worked prior to submission of a notification of employment.

OUT OF STATE INTERN HOURS

Applicants who obtained hours of practical experience must submit documentation of 500 intern hours. These hours must have been worked under a licensed pharmacist. If you reported intern hours to a State Board of Pharmacy, please contact the Board of Pharmacy from the state in which you acquired intern hours and request an official license verification with hours (**with the state SEAL**). This form may be forwarded directly from the issuing agency to this office via email to Contact.pharmacy@llr.sc.gov or attached to your application.

If intern hours were not reported to a State Board of Pharmacy:

The Pharmacist-in-Charge of the pharmacy in which you worked must submit a letter on company letterhead verifying the total number of intern hours obtained and provide the following information:

- Verifying Pharmacist's name and license number.
- Name of pharmacy, address and permit/license number.
- Submit a copy of current facility(s) permit/license.
- Submit a copy of verifying pharmacist's current license.

This documentation may be forwarded directly from the verifying pharmacist to this office via email to Contact.pharmacy@llr.sc.gov or attached to your application.

LICENSURE BY SCORE TRANSFER PROCEDURES

The process of applying for licensure by score transfer in South Carolina consists of three distinct parts:

- Submit the South Carolina Board of Pharmacy Pharmacist Application by Score Transfer and required items.
- You may apply for the exams with NABP concurrently while applying to South Carolina.
- Register for and successfully pass the MPJE.
 - Once MPJE is successfully passed and you have completed requirements for licensure in South Carolina, you will be required to submit a licensure fee.

EXAMINATION REQUIREMENTS

The NABP Score Transfer is valid for one year from the date the NAPLEX exam is taken. Applicants must apply and register for MPJE with NABP. Applicants are encouraged to review fully and explicitly follow instructions within the Candidate Application Bulletin from NABP. This Bulletin is on NABP's website (<https://nabp.pharmacy/>). The examinations are administered by Pearson, who provides the Authorization to Test (ATT) and confirmation letters. The ATT provides all the scheduling information you require and the confirmation letter will include verification of the exam date and time as well as the address of the testing center. Exams are administered at Pearson Professional Centers daily Monday through Saturday, except holidays.

FOREIGN GRADUATES

Foreign graduates must obtain their experience in the United States after an internship certificate has been issued. Intern certificates require that you provide the Board of Pharmacy copies of your Social Security card and your FPGECC.

Fifteen hundred (1,500) hours of practical experience, gained in accordance with South Carolina internship requirements in effect at the time the internship was gained, are required for licensure. Internship training shall be acquired under the supervision, direction and instruction of a licensed pharmacist in a pharmacy, site, or program approved by the Board as being a proper place for the training of a pharmacy intern.

OTHER INFORMATION

Licenses will be issued upon successful completion of all application requirements. If your application for licensure is approved before February 1, you are required to renew your license before April 1 to avoid a late fee.

- If you move during this process, please advise the South Carolina Board of Pharmacy *in writing* your new address, indicating that you are a candidate by score transfer.
- There are no exceptions to the application procedures and there are no temporary licenses.
- If you have questions concerning these application requirements, please contact the Board office in Columbia at (803) 896-4700 or visit our website at <https://lir.sc.gov/bop/> or the NABP website at <https://nabp.pharmacy/>

NOTE: Your application is good for one (1) year from the date of receipt. If all required information is not received within this period, you must begin the application process from the beginning. This includes, but is not limited to, all fees, license verifications, etc.

PRIVACY DISCLOSURE

South Carolina Law requires that every individual who applies for an occupational or professional license provide a social security number for use in the establishment, enforcement and collection of child support obligations and for reporting to certain databanks established by law. Failure to provide your social security number for these mandatory purposes will result in the denial of your licensure application. Social security numbers may also be disclosed to other governmental regulatory agencies and for identification purposes to testing providers and organizations involved in professional regulation. Your social security number will not be released for any other purpose not provided for by law.

Other personal information collected by the Department for the licensing boards it administers is limited to such personal information as is necessary to fulfill a legitimate public purpose. The South Carolina Freedom of Information Act ensures that the public has a right to access appropriate records and information possessed by a government agency. Therefore, some personal information on the application may be subject to public scrutiny or release. The Department collects and disseminates personal information in compliance with The South Carolina Freedom of Information Act, the South Carolina Family Privacy Protection Act, and other applicable privacy laws and regulations. Additionally, the Department shares certain information on the application with other governmental agencies for various governmental purposes, including research and statistical services.
