

**Pharmacists Permanent Licenses
Policy and Procedure #041**

On the pharmacist's permanent license, the Chairman shall have a line so designated for his/her signature on the right side of the license. Other Board members shall sign on the left side by seniority with the top line being for the person with the most seniority after the Chairman and so forth down the line, through line five. The At-Large appointed pharmacist member will sign on the next to the last line, and the appointed lay member will sign on the last line. Should a board member serve a second term, he/she shall automatically drop to the bottom of seniority.
