**MEMORANDUM**

**TO:** All South Carolina Licensed Chiropractors

**FROM:** South Carolina Board of Chiropractic Examiners

**DATE:** December 8, 2020

**RE:** **Continuing Education Hours**

The deadline to submit your continuing education hours to CE Broker is quickly approaching. Your hours must be submitted to CE Broker before midnight on December 31, 2020. To submit your hours, please visit the CE Broker website at <https://www.cebroke.com/>

**Continuing Education:** As a prerequisite for biennial renewal of your license, you must complete a minimum of thirty-six (36) hours of approved professional continuing education, and no more than half of those hours may be online. Of the thirty-six (36) continuing education hours, two (2) hours are required in rules and regulations of the S.C. Board of Chiropractic Examiners (limited to four (4) hours per renewal period) and two (2) hours in risk management which include, but are not limited to, boundary or public health issues. Due to COVID-19, the Board will accept any live-streamed rendition of a prior-approved continuing education program to meet the face-to-face requirements. Please note that even though your completed renewal application form and fee payment were due by September 30, 2020, the Board extended the deadline for continuing education due to hardships caused by COVID-19 class cancellations. You have until December 31, 2020, to complete your continuing education hours and submit them to CE Broker.
