## **BURGLAR and/or FIRE ALARM BUSINESS LICENSE APPLICATION INSTRUCTIONS**

### **Document 130**

In order to determine if you qualify for licensure, please read all of the information listed in each section in the application and on the instruction pages carefully before you complete each section in the application. Disregard any items that do not apply to your situation. The application must be typed or printed in ink. If you need a copy of the South Carolina Code of Laws regulating alarm businesses, you may go to the above website and print the law from the Internet or call this office.

#### **1. Registration of Employees:**

- Qualifying parties must complete sections 3 and 4 and the owner/president must complete sections 1, 2 and 5 in this application.
- Any owner, partner, officer or employee of a licensed burglar alarm business who accesses a client's property or burglar alarm records **must also be registered** with the department and must **submit a criminal background report** for each employee. They must be registered within 30 days of their hire date by completing the Registered Employee application, Document 126. All registered employees must be at least eighteen years of age. Fire alarm employees do not have to be registered. See Section 40-79-220 for the definition of a registered employee. Download the application, Document 126, from the following website: <https://llr.sc.gov/clb/pub.aspx>.

#### **2. Criminal Background Check:**

South Carolina and out-of-state applicants **must submit** a criminal background report **with** the application. This is required for the **owner/president**, all **qualifying parties**, and **registered employees**. Your application will be returned if you do not **submit the report(s)** with your application. Applicants in South Carolina may request a report by contacting the State Law Enforcement Division (SLED), Criminal Records, 4400 Broad River Road, Columbia, SC, 29210. Office hours are 8:30 am - 5:00 pm, Monday - Friday. Include in your request, full name, date of birth, social security number, and applicable fee for the report. (Individual(s) may contact SLED at 803-896-7165 for the cost of the report or contact them via their web site [www.sled.sc.gov](http://www.sled.sc.gov). Out-of-state applicants may contact their state law enforcement agency for a report.

#### **3. Examinations:**

All applicants applying for either a burglar alarm or fire alarm license or both must have an employee pass a technical exam for each license. In addition, the employee must pass an examination on the **South Carolina Code of Laws** that regulate alarm businesses. All tests for technical examinations are administered through our testing service, Psychological Services, Inc. (PSI). When you complete the examination registration form, send the form to PSI in order to schedule the exams. Do not send the examination registration form to the Department. Please notify PSI if you feel you are eligible under the Americans with Disabilities Act (ADA) for special examination accommodations. For exam registration and testing information, call PSI Examination Services at (800) 733-9267 or fax (818) 247-3853 or contact PSI via their web site [www.psiexams.com](http://www.psiexams.com).

- Burglar Alarm contractors are required to be **NTS Level I** certified.
- Fire Alarm contractors are required to be **NTS Level I** certified or **NICET Level II** certified
- This is in addition to the exams that must be taken through PSI - (800) 733-9267.
- Burglar - For information on NTS Level I, contact the S.C. Alarm Association at (803) 252-0580.
- Fire - For information on NICET Level II, contact the NICET at (888)476-4238 or [www.nicet.org](http://www.nicet.org).

**4. Qualifying Party Requirements:**

All licensees must designate a primary qualifying party who has passed the required examinations and is a full-time employee holding a managerial or supervisory position. You may appoint other employees who meet the qualifying party requirements to be extra qualifying parties. A primary or extra qualifying party may be listed as a qualifying party for only one licensee. The applicant can have an unlimited number of qualifying parties. When the primary qualifying leaves employment of the licensee, the licensee may designate any of its extra qualifying parties as the primary qualifying party or schedule another employee to take the required examinations. If a qualifying party leaves employment of the licensee, the licensee or the qualifying party must notify this office within 15 days upon termination of employment. If the Department is properly notified within 15 days, the licensee will have 90 days to obtain a new primary qualifying party and may continue to engage in the alarm business during the 90-day period. Any qualifying party that is not listed with the Department as a primary or extra qualifying party for a South Carolina licensed alarm business for four consecutive years must retake all required examinations.

**5. Insurance:**

The applicant must submit with the application a current insurance Certificate of Comprehensive General Liability Insurance providing for a minimum coverage of \$100,000 due to bodily injury, death, or destruction of property as the result of negligent act or acts of the principal insured. The certificate must indicate the South Carolina Contractors' Licensing Board as the certificate holder.

**6. Branch Offices:**

**Burglar alarm** contractors are required to obtain a separate license for each branch office. The branch office is required to meet the same requirements as the main office. Please see Section 40-79-220 for additional information.

**7. Conducting Business:**

The alarm business must conduct business in the name in which the license was obtained. The license belongs to the alarm business, not the qualifier. The qualifying party owns the certificate that indicates he/she can qualify the licensee to engage in the alarm business.

**8. The Most Common Reasons Applications are Returned:**

- The application was not signed and dated by the owner, partner, president, qualifying party(s), registered employees, and properly notarized;
- The applicant failed to complete all of the questions on the application;
- A check for the license(s) is not included or is written in the wrong amount;
- The applicant did not take and pass the South Carolina Code of Laws examination or the technical exams;
- The required background reports for the owner, partner, president, qualifying party(s), and other registered employees are not included in the application; and
- The applicant did not submit proper liability insurance information.

**9. Application Process:**

Applications are processed in the order in which they are received. No exceptions will be made. We strongly discourage contacting our office for a status check on applications since this will slow down the application process. Upon receipt of your application by this office, during normal workloads, please allow two to three weeks to process your application. Do not send the application to this office until the qualifying party **has passed the required examinations** and all information in the application has been completed and attached. If the application is not properly completed, the application will be returned to the applicant, and this will delay receiving a license. Mail the completed application to this office at the address listed in this application; include a copy of your passing scores from the testing service. Checks for the license should be made payable to the S.C. Contractors' Licensing Board.
