## CONTINUING EDUCATION GUIDELINES

Revised 5/17

In accordance with Regulations 36-13 and 36-14, the Board of Examiners for Licensure of Professional Counselors, Marriage and Family Therapists, and Psycho-Educational Specialists regards continuing education (CE) as a required part of an ongoing process of professional development and licensure.

#### I. MINIMUM REQUIREMENTS FOR PROFESSIONAL COUNSELOR AND MARRIAGE & FAMILY THERAPIST LICENSES & MULTIPLE LICENSES

Persons licensed as a Professional Counselor or Marriage & Family Therapist must complete forty (40) contact hours of which 25 hours must be formal (face-to-face instruction) of continuing education related to their respective professional license during every two-year licensure period. Those persons licensed as an Intern are exempt from CE requirements.

Those persons holding multiple licenses with the Board as a Professional Counselor, Marriage & Family Therapist and/or Psycho-Educational Specialist are required to complete twenty-five (25) contact hours of formal continuing education PER LICENSE during every two-year licensure period as a condition of renewal of their licenses. Each 25 contact hours of CE per license must be related to each license type.

#### II. MINIMUM REQUIREMENTS FOR SUPERVISOR LICENSES

Persons licensed as a Professional Counselor Supervisor or Marriage & Family Therapy Supervisor must complete ten (10) hours of continuing education in supervision of their discipline during every two-year licensure period. These hours must be oriented to supervision and are in addition to the continuing education hours required for renewal of the Professional Counselor or Marriage & Family Therapist license. A minimum of ½ of these hours must be “formal” education (face-to-face attendance). The remaining 5 hours may be obtained on an “informal” basis such as self studies, internet, etc.

Supervisor dual licensees (those persons licensed both as a Professional Counselor Supervisor and a Marriage & Family Therapist Supervisor) may complete ten (10) hours of

**formal continuing education in supervision which must be at least five (5) hours of supervision continuing education in each discipline.**

### **III. DEFINITION OF FORMAL CONTINUING EDUCATION,**

- 2. All offerings must deal specifically with theory, research or practice related either to professional counseling or marriage & family therapy in relation to each discipline and should be able to be related to the core educational course requirements in Regulations 36-04 for LPCs and in Regulations 36-07 for LMFTs.**

**Formal continuing education must also meet the following specific criteria:**

- 1. The activity must occur after the date the licensee first became licensed.**
- 2. No hours may be carried forward from the renewal period in which they were earned.**
- 3. The activity must involve face-to-face instruction or live (inter-active) television-assisted instruction.**
- 4. Webcasts or webinars are acceptable as long as the live online educational presentation allows participating viewers to submit questions and comments (must be inter-active).**
- 5. Video or audio tape recordings may be used only as an adjunct to live face-to-face teaching or live television-assisted instruction.**
- 6. Only hour-for-hour contact with a teacher, instructor, trainer, or supervisor shall be counted. Hours shall be granted for actual time spent as a learner in a structured, educational format. Breaks, lunches, business meetings, and committee meetings may not be counted.**
- 7. Any formal continuing education activity sponsored by a professional counselor certifying body, marriage & family therapy certifying body, NAADAC, or SCAADAC approved by the Board as a continuing education sponsoring body, or one of its regional or state divisions, is automatically approved for the formal continuing education requirement.**
