

Frequently Asked Individual Reinstatement Questions

Q. How can I change my individual registration from lapsed status back to active status?

A. If your license lapsed, a reinstatement packet may be requested by sending an email to Contact.Engls@llr.sc.gov. In the subject line, please state “reinstatement of license” and include your full name and license number. A reinstatement packet of information will be emailed to you within 24 hours. Reinstatement requires the payment of all past renewal fees and late fees, plus documentation of continuing education.
