

Important Notice Regarding Continuing Education

Due to COVID-19, the South Carolina Board of Environmental Certification would like to remind licensees that continuing education also can be obtained online. Licensees must still obtain 12 hours (clock hours) of continuing education between July 1, 2019, and June 30, 2021, or pass the state examination. Licensees must also keep record of all courses completed. For additional information on continuing education or to review the Board's requirements for online training, please refer to the Board's website at <https://www.llr.sc.gov/env/ce.aspx>. The Board will continue to monitor COVID-19 and take any appropriate action as needed. Any questions pertaining to continuing education can be directed to the Board's office at Contact.Environmental@llr.sc.gov or at (803) 896-4430.
