ASBOG Charter and Bylaws - Amendments

Mr. Kennedy stated he has spoken with Mr. Norman 'Ollie' Olson, who serves on the Charter and Bylaws Committee, in regard to the Board's questions on the proposed bylaws amendment 11 which eliminates nominations from the floor. The nomination committee's process will review each candidate's resume, and experience working with ASBOG. The committee also wants to ensure the individual understands the amount of time and effort needed to be in that office.

Discussion on this matter included why names from the floor would not be presented for nominations and proposing an amendment to the bylaws from the Board.

**MOTION**

Mr. Kennedy made a motion the Board affirm the proposed amendments to the bylaws and charter. Dr. Ichimura seconded the motion, which carried with a majority vote. Dr. Warner voted nay.

Dr. Ichimura and Mr. Kennedy will review their schedules to see which of them would be attending the ASBOG annual meeting in St. Charles, Illinois. The meeting will be held November 6-8, 2008.

**Adjournment**

There being no further business to be discussed at this time, the September 16, 2008 conference call meeting of the SC Board of Registration of Geologists adjourned at 10:51 a.m.
