

New Regulations

New regulations for the SC Board of Registration for Professional Geologists went into effect on June 26, 2020, resulting in the changes listed below.

1. There is no longer an appeal process for exam candidates who fail the FG or PG exams;
2. The requirements for reinstatement now allows reinstatement of a license for a period of six (6) years after the license lapses, and
3. The continuing education requirement per biennium has been reduced to 24 hours per biennium.

You can view the updated regulations at https://www.scstatehouse.gov/state_register.php (Click the June 26 link).

Questions regarding the new regulations may be directed to the Board's office at Contact.Geologists@lrr.sc.gov or at (803)896-4575.
