

MINUTES
SOUTH CAROLINA LIQUEFIED PETROLEUM GAS BOARD
Committee Meeting
November 5, 2021, at 10:00 a.m.
110 Centerview Drive, Room 108
Columbia, South Carolina 29210

Meeting Called to Order

Eric Taylor called the meeting to order at 10:08 a.m.

Committee members present were Eric Taylor, Palmetto Propane Fuels & Ice; Art Irick, Board Member; Curtis Smith, State Fire; Corky Clark, SC Propane Gas Association; and Stephen Warren, Warren Mechanical.

Staff members present were Maggie Smith, Program Coordinator; and Hardwick Stuart, Advice Counsel.

Administrator's Remarks - Maggie Smith

Maggie Smith reviewed the committee's purpose and meeting materials.

LPG Bulk Site Installation Guidelines- Review and Discussion

The committee reviewed two different drafts of LPG Bulk Site Installation Guidelines provided by Mr. Smith and Mr. Irick. After discussion about the process and how to incorporate the two lists into one working document, Mr. Taylor requested that the committee include Board Chairman Richard O'Sheal and Chief Nathan Ellis at the next meeting; and included that the committee will explain their progress to the Board and request that the two aforementioned members be added to the committee.

Adjournment

The meeting adjourned at 12:55 p.m.
