Richard O'Sheal called the meeting to order at 10:12 a.m.

Other committee members present were Eric Taylor, Palmetto Propane Fuels & Ice; Art Irick, Board Member; Curtis Smith, State Fire; Shawn Stickle, State Fire; Nathan Ellis, State Fire; Corky Clark, Southeast Propane Alliance; and

Staff members present were Molly Price, Board Administrator and Hardwick Stuart, Advice Counsel.

Administrator's Remarks – Molly Price

Ms. Price welcomed everyone to the meeting and reminded committee members that the standing committee was appointed by the Board on March 11, 2021, with the purpose of developing installation guidelines for LP Gas bulk sites. Ms. Price stated that committee members were provided with a copy of NFPA 58, 2017 Edition and a revised installation guidelines draft that incorporated the previous drafts from Mr. Irick and Mr. Smith.

LPG Bulk Site Installation Guidelines- Review and Discussion

The committee reviewed the provided draft of the LPG Bulk Site Installation Guidelines from Ms. Price and discussed each item and the applicability of each item to bulk site installations in South Carolina. Throughout their discussion, the committee made several recommendations and asked Ms. Price to work on incorporating the changes into the document. The committee will report their progress back to the Board at the Board's next meeting on March 17, 2022.

Adjournment

The meeting adjourned at 12:20 p.m.
