Director

Clarification of Live Streamed Continuing Education Courses

At the Board meeting held January 27, 2022, the South Carolina Board of Long Term Health Care Administrators clarified that the requirements for in-person continuing education can be met by either physical attendance or live-streamed webinar courses. Licensees may obtain 100% of the continuing education requirements from “in-person” NAB or Board-approved courses.

Administrators may obtain no more than half of the continuing education hours from pre-recorded, NAB-approved online courses.

Courses that are not NAB approved may be submitted for review by the Board via the Continuing Education Course Administrator Application found on the Board website at <https://www.llr.sc.gov/lthc/ce.aspx>.
