A motion was made by Garrett Galloway to approve all temporary licenses to be updated to permanent. This approval also includes “yes” answers. Dr. Scott Crego seconded the motion. Motion carried.

5. A discussion was held concerning a change in the application process for the Limited License.

- Mr. Dunphy’s concern is that students receiving a limited license prior to graduation and the monitoring of their proof of graduation. Mr. Galloway stated there are a couple of options to apply for licensure and that the educators need to hold the students accountable. Discussion on whether to enforce the issue of

providing to the Board the necessary documents required within the 30 days. Allan Dunphy suggests making it clear to the hospital administrators that this is what is needed to be done.

- Garrett Galloway suggested amending the note to state “if you receive a limited license from this Board prior to graduation, proof of graduation must be received by the Board office during the first six months of the Limited License term or the Limited License will be deemed void.” Motion made by Garrett Galloway. Motion seconded by Allan Dunphy.

6. Approval of 2017 Committee Meeting dates of January 20, April 21, July 14, and October 20. Motion made to approve by Garrett Galloway and seconded by Dr. Nassif. Motion carries.

7. Administrative discussion:

- Pulmonary Function Tests. Dr. Dunphy states he contacted Selma Watson and has not received feedback from her yet but he did speak with LouAnn Wagner who would be available for a conference call in order to discuss more about the Spirometry program during the next Committee Meeting scheduled for April 22, 2016. Dr. Dunphy explained that the NIOSH course is a two day screening tool. Dr. Dunphy states that primary care providers are administering these tests and may not be properly trained. Dr. Nassif and Dr. Paoletti both state there should be a guideline in place for administering the Spirometry correctly. Garrett Galloway moved to have Spirometry as a specific topic to be discussed at the April 2016 Committee Meeting and have Ms. LouAnn Wagner join in via telephone. Dr. Dunphy recommends that the person(s) administering have the proper training in accordance with the board’s advisory opinion on exemptions for individuals with proven competency.

8. Sheridan Spoon advised if there are any participants to be scheduled for the next Committee Meeting to please provide their information to Candace Gunter as soon as possible so they can be placed on the agenda for April 22nd.

Motion to adjourn by Garret Galloway at 11:02 am.

Scott Simms, Scott Crego, and Allan Dunphy all seconded the motion. Motion carried.

The next meeting is scheduled for April 22, 2016 at 10:00 A.M.

Respectfully submitted,

Candace Gunter
Administrative Assistant
