A motion was made by Dr. Perry to approve all temporary licenses for update to permanent with the exception of applicants Anna Reed. This approval also included YES answers. Dr. Sims seconded the motion. Motion carried.

***Recommendation amended for Anna Reed to provide further information pertaining to the assault charges. Motion made to accept by Mr. Galloway. Dr. Paoletti seconded the motion. The Temporary license will be continued until receipt.**

- Committee Chair Report: NBRC credential issue: For those credentialed after July 2002 there is a yearly credential renewal with a fee of \$25 to remain current with NBRC. Those who received their credential prior to July 2002 are grandfathered. Discussed the issue of maintenance of the NBRC credential versus licensure.

Mr. Galloway asked if language could be added to the renewal form regarding the status of a licensee's NBRC credential.

Mr. Galloway suggested that there be a way to have the credential available for primary source verification. Mr. Spoon stated that the credential is a requirement for initial licensure but not for continued licensure [renewal] Dr. Perry suggested there be language added to the renewal information regarding this distinction and the issue of representation as an RRT without a current NBRC credential.

Mr. Galloway mentioned an issue related to who interprets home sleep tests for the Medicaid population in the state. There are out of state physicians

who interpret these tests. Mr. Spoon referred to as one source of information the board's advisory opinions on Telemedicine and Establishment of the physician/patient relationship and to recently-enacted section 40-47-37 of the medical practice act related to telemedicine. This will be added to the agenda for January 20, 2017 committee meeting.

4. Public Comment: None.
5. Administrative Report: Cyber and Building Security. LLR has a security guard on site. Mr. Spoon informed the committee that the password will no longer be provided on the renewal notices. Only the userID will appear on the renewal notice. Licensees should go to the online portal and update their contact information, especially their email address for online renewal purposes. Renewal notices will go out on March 1, 2107.

Motion to adjourn by Mr. Galloway at 1:21 pm

Mr. Simms seconded the motion. Motion carried. The next meeting is scheduled for January 20, 2017 at 10:00A.M.

Respectfully submitted,

Candace Gunter
