## 5. Requests for Additional Skills

There were no Additional Skills to review for approval/denial.

## 6. Standard Scopes of Practice

There were no Standard Scopes of Practice to review for approval/denial.

## 7. Application Appearance

There were no application appearances for review.

## 8. Consideration of Committee Vacancies

There are no current vacancies to review.

## 9. Committee Member Team Expiring

- A. Dr. Stephen R. Gardner, M.D. [11/06/2021]-Dr. McCallum made a motion that Dr. Gardner serve an additional four years as Committee Chair, Ms. Gillespie seconded. Motion carried.
- B. Dr. Anne G. Cook, M.D. [12/31/2021]—Dr. Cook, as Board President, currently serves as the Committee's ex officio member. Once Dr. Cook's term expires in December 2021, the new Board President will become the Committee's ex officio member. Therefore, no action is required by the Committee.

## 10. Chair Report and Administrator's Report

- A. FOR DISCUSSION AND ACTION: S.503 Law change takes effect 7/16/2021 allowing PAs to write Home Health orders. Dr. McCallum made a motion to have Home Health added to the PA Scope of Practice Guidelines Addendum form so that the Supervising Physician can determine if they want their PA to be able to write Home Health orders. It was determined that the existing licensed PAs in the state would need to send in an updated PA Scope of Practice Guidelines form with this question answered. Dr. Cook seconded. Motion Carried.
- B. FOR DISCUSSION: Aesthetic Medicine Modified Scopes of Practice After a brief discussion, the PA Committee decided to continue to review the Aesthetic Medicine Modified Scopes of Practice the way they have previously on an individual level. The PA would need to submit competency in the skills that they are requesting and, if applicable, the Supervising physician would need to present competency that they are qualified to supervise the PA in the skills requested.
- C. FOR DISCUSSION: Standard Board Approved Scope for Occupational Health submitted for Family and Internal Medicine Specialties After a brief discussion, the PA Committee recommended that the Standard Board Approved Scope of Practice for Occupational Health falls under the broader specialties of Family Medicine, Internal Medicine and the Emergency Medicine. The PA Committee found no reason why these Scopes should not be approved at staff level when the Primary Supervising Physician's specialty is Family Medicine, Internal Medicine, or Emergency Medicine.
- D. FOR DISCUSSION: Submission of New Scope of Practice & Additional Skills for previously approved PAs The PA Committee decided to follow the established precedent that if the PA is working within the same practice group they would not need to submit the proof of competency again with their Additional Skills Request. However, if the PA submits a New Scope of Practice and Additional Skills Request form

for a new employer, they would need to submit proof of competency again for the new employer. The proof of competency can be what was previously submitted and/or new competency.

E. PA License Renewal Update/CE Requirement PA on-line renewal will begin October 1, 2021, ending on December 31, 2021. Since the PA renewal deadline falls on a Friday, PAs like all licensees, are reminded to renew as early as possible in the renewal period.

F. PA Meeting Dates for 2021, 2022, 2023 & 2024 The PA Committee reviewed the meeting dates.

Dr. Gardner made a motion to adjourn at 3:10 p.m. and Dr. McCallum seconded the motion which passed unanimously.

The next meeting is **Friday, January 14, 2022 at 2:00 p.m., Room 202-02/Teleconference [TBA].**

Respectfully submitted,

Temeka Atkinson
