Policy Statement

Approved by the Board: January 24, 2025

Service Area: Compliance

Subject: Rescheduling requests related to Licensee requested hearings

Requests by licensees to reschedule a hearing they have requested, such as a request to terminate, redact, or amend an existing agreement/order or part of an existing agreement/order, will be granted on a case-by-case basis. After two (2) instances of rescheduling and/or failing to appear, the request will not be scheduled for Board consideration until one (1) year from date of last scheduled hearing has elapsed.
