March 26, 2026

The South Carolina Panel for Dietetics is now issuing electronic licenses.

Once your initial licensure has been approved, or your license has been renewed, you will receive an email from our office with instructions on how to log in to your account and print a copy of your new or updated license. This document will be available within forty-eight (48) hours of approval or renewal. The Panel will no longer mail paper licenses.

A printed copy of your license may be displayed in a prominent and/or conspicuous location at your place of practice.

To print your license, log into the [eService Portal](#) using the User ID and Password you created when applying for or renewing your license. Board staff cannot provide this information.

If you need assistance accessing your account, click “Forgot Username” to retrieve your User ID or “Forgot Password” to reset your password.

After logging in, select “Print License Card.” You may print as many copies as needed. This option allows you to reprint your license at any time, eliminating the need to request a replacement from the Panel.
