RE: SC Board of Podiatry Examiners position

To whom it may concern,

I am interested in applying for the board position representing central South Carolina. I have practiced in Richland and Lexington County for over 20 years, and I am interested in better serving my community. I am board certified in foot surgery and have periodically helped to review cases for this board, as well as for a local hospital.

Please feel free to contact me if you have any further questions.

Sincerely,

A handwritten signature in black ink, appearing to read "Joseph J. Moran".
