The Board issued 619 Temporary Retail permits for the July 4<sup>th</sup> season. Wholesaler licenses are currently in renewal status with the Board receiving and processing 18 to date.

The inspection process for July 4th was mostly smooth and board staff would like to thank licensees for getting their information in on time and complying with the board checklist. Thank

you to the deputies from State Fire who worked long hours on behalf of the board and did a lot of inspections in a short period of time.

The Board sent renewal notices to all Wholesalers and Annual Retail license holders on July 13<sup>th</sup>. The notice contained the December 14, 2018 cutoff date for applications for the New Year's season. After that date, application will be subject to the \$200 special processing fee. During the July 4<sup>th</sup> season, 35 application were charged the special processing fee. This is up from last year.

Wholesalers are being issued new and improved paper license certificates for 2019. These certificates will be mailed after the inspection is complete. Magazines will still receive a sticker once they have passed inspection.

Ms. Price reminded the Board and public that the wholesaler seat remains vacant on the board. Anyone wishing to apply for the seat needs to contact the Governor's Office.
