The screenshot displays the Labor Licensing Regulation (LLR) system interface. At the top left is the LLR logo with the text 'LABOR LICENSING REGULATION'. At the top right are navigation icons: a home icon, a question mark, and a close icon, with the text 'Welcome, MOLLY (Selected Entity: BPS)' below them. The main content area features a 'New Record' dialog box. The dialog box has a title bar 'New Record' and a question: 'Do you want to copy the data for this application from an existing permit?'. To the right of the question are two radio buttons labeled 'Yes' and 'No'. Below the question are three buttons: 'Clear', 'Next >>', and 'Cancel'. Two blue arrows originate from the text 'First permit in system for location, click No, Click Next' at the top of the image. One arrow points to the 'No' radio button, and the other points to the 'Next >>' button. The background of the page shows a faint map of South Carolina.

Welcome, MOLLY (Selected Entity: BPS)

Affirmation Statement

Please complete the application in its entirety prior to submittal, as incomplete applications will not be processed. NOTE: Permit applications must be received by the Board at least 15 business days before the facility is planned for opening. If submitted less than 15 business days before the start of operations, applicant is subject to an additional \$200 processing fee. The fees as stated are for one inspection. Any return inspection resulting from the owner's failure to comply will be charged at a rate of \$75 per hour (including travel time) in addition to the application fee.

By applying for this permit, I have verified with local fire officials that fireworks may be sold at this address. Additionally, I understand the requirements as set forth in SC Code of Laws §40-56-1 et. seq., Regulations promulgated by the SC Board of Pyrotechnic Safety (BPS) and NFPA 1124 (2006) as adopted by Board.
