

ALERT: PSI Exam Sites to Re-Open May 1st

Licensing Examination provider PSI is re-opening the majority of its test sites on May 1, 2020. Test sites will be opened where city, state and county jurisdictions allow.

Commission-approved exam applicants may contact PSI to enroll and schedule examination as instructed on their eligibility letters.

For exam applicants whose one year of eligibility has expired or is expiring March through September of 2020, your exam eligibility has been extended until September 30, 2020.

PSI is implementing procedures to ensure employee and exam candidate's safety as they re-open. They have created a frequently asked questions document which can be found at <https://www.psonline.com/wp-content/uploads/psi-services-covid-19-faqs.pdf>.

We encourage all candidates planning on taking an examination at a PSI testing location during the COVID-19 pandemic to read the above linked FAQ.
