Due to COVID-19, the public is currently restricted from entering the LLR Kingstree Building. However, the Board staff is working remotely and will assist you as quickly as they can. Licensees and other members of the public needing assistance are encouraged to visit the Board website at www.llr.sc.gov or 803-896-4598 or email to contact.vetboard@llr.sc.gov.

Continuing Education

At its meeting held May 14, 2020, the Board of Veterinary Medical Examiners determined that as a result of the public health state of emergency declared by Governor McMaster on March 13, 2020, licensees may obtain all continuing education hours required for renewal via online Registry of Approved Continuing Education of the American Association of Veterinary State Boards (RACE) approved courses for the 2019/2021 renewal cycle only. Courses must continue to meet the requirements as outlined in S.C. Regulations 120-6, with the amended allowance of the online satisfaction.

RACE approved courses can be found at <https://www.aavsb.org/CE-Services/RACE/find-a-race-program>

The Board will continue to monitor the situation and will communicate updates via email and Board website. Over the next few weeks, the Board encourages both the public and licensees to remain calm and take appropriate action to decrease the transmission of COVID-19.

Sincerely,

South Carolina Board of Veterinary Medical Examiners
