Board of Veterinary Medical Examiners Continuing Education Update

At its February 25, 2021, meeting, the Board of Veterinary Medical Examiners approved the allowance for licensees to obtain all continuing education hours required for renewal online via the Registry of Approved Continuing Education of the American Association of Veterinary State Boards (RACE) approved courses. This change is for the 2021/2023 renewal cycle only. Courses must continue to meet the requirements as outlined in S.C. Regulations 120-6, with the amended allowance of the online satisfaction.
